

HULA GIRL

LAHAINA • MAUI • HAWAII

- Please meet us on Kaanapali Beach at Whalers Village Shopping Center directly in front of Leilani's Restaurant. Look for our check in sign and crew member on the sand fifteen minutes prior to sail time.
- A large **Paid parking** lot is available at Whalers Village Shopping Center with hourly fees. We apologize that we can not validate your parking, but the shops or restaurants within Whalers Village can validate with any purchase. This entitles you to three free hours of parking. A small Beach Access parking lot is on the southern border of Whalers Village. Some of the parking stalls are marked "beach access" and are free.
- All Cruises are barefoot and your shoes are stored in lock boxes prior to boarding. We recommend wearing shorts as you can expect to get wet from the knees down while boarding the Hula Girl.
- On Snorkel Sails, please remember to bring a beach towel and sunscreen.
- On evening events we recommend bringing a light jacket or sweater.
- Please take the precautionary measure to put Camera's, Phones and any other electronic devices in water proof bags as you are bringing them at your own risk.
- Contact number if you get lost or need assistance is 808 665-0344
